

Anne Wilson
Portable City, 2008

The 47 individual vitrines are mobile and have the potential to create a changing relational population.

Surface: constructions of thread and wire filament secured with pins

Vitrines: stainless steel frame with risers for leveling, white painted wood surface, acrylic cover. Dimensions vary: approximately 20" x 40", 20" x 20", 20" x 10"; all platforms are 33.5" high
